**RANDOM RPG TABLES:**  
**ROMANCE & RELATIONSHIPS:**  
**AN INTRODUCTION**

*Saving the world is nice. But having someone to come home to is an even bigger adventure!*

This book is a curated, expanded collection of quick-roll generators to design such a plausible (or at least colorful!) character who will fit in any romance plot.

The tables you can find here book are centered on love and relationships, so you can quickly build up your own drama by rolling just a couple of d100s. And there are a lot of tools here!

This book collects the tables from Tome of Endless Romance 1 & 2 (female and male character tables), and adds more than twice as much brand-new material, all in one volume. Flip, roll on your romance tables to generate a romantic trait, personality, hair color, physical trait, complications, or a place (for a date!), and go. Most tables are accompanied by a short introduction that contains hints to help you expand the result for your narrative.

These tables are also useful tools for generating relationship or romance plots for Solo RPGs, which are gaining popularity fast. Random tables provide you with all the above advantages, plus they simulate unpredictability, determine the outcome, provide random encounters, help with NPC interaction, and make your narrative overall more sexy.

These tables are fantasy-first and system-neutral, so you can use them with anything: DnD 5E, Pathfinder, OSR, Daggerheart, story games. There are no dedicated mechanics.

Besides general-purpose romance generators, you will also find tables dedicated to three specific genres: cozy fantasy (low stakes and heartwarming romance), court intrigue (high stakes and political drama), and dark fantasy (tragic and a bit edgy). At the end of the book, you'll find a Quick Reference that lists every table with a short description. Use this index to instantly find the right generator for any romantic scene.

So, how to use these tables? However, it fits your game: roll once, roll five times, ignore the numbers, and cherry-pick, adjust them to suit your narrative, and let the results surprise you.

This book contains mature themes. It is intended for adult players. But if you're looking for even spicier tables, check out Random RPG Tables: The Red Book. The Red Book contains tables that will help you set tone, create hot scenes, and handle sex & intimacy.

Finally, I would like to acknowledge Kickstarter backers who supported this project, with special thanks to Mark S for his contribution. Thank you for backing and cheering this book into existence!

Have fun with love in your life and on the tabletop!

## ROMANTIC FEMALE CHARACTERS TABLES

These tables are intended for **female characters** and can be used to create a love interest or simply an interesting woman: the knight who flirts between duels, the assassin with laughing eyes, the witch who loves too hard, or someone you've just met at a tavern. Use these tables to create new heroines, rivals, exes, lovers, the reason the quest began, hookups, wives, or enemies (to lovers). These tables were originally featured in Tome of Endless Romance 1 and are collected here with slight changes.

Together, they create quick hooks for Personality, Eyes, Hair Color, Physical Trait, and Romantic Trait. **Personality** gives you her default vibe: unpredictable, dreamy, serious, or maybe sassy, friendly and flirtatious. **Eyes** and **Hair Color** add small details that make her easy to picture and easy to remember. **Physical Traits** mark her even more: maybe she has a face full of freckles, a soothing voice, a noisy laugh. **Romantic Traits** will tell you how she loves: is it physical closeness, a penchant for drama, or a taste for new experiences?

Add more results from tables you will find later to get even detailed description of your character.

### EYES (FEMALE)

<b>D10</b>	<b>RESULT</b>
1	Blue, like a cloudless sky on summer morning.
2	Green, the color of fresh grass in spring.
3	Amber brown. Kinda like a cold dwarven beer.
4	Burnt sienna. Her ancestors came from the south.
5	Her eyes are expressionless. It's hard to read her feelings.
6	Gray as mouse fur. Smart-looking, bright, and always alert.
7	Sparkling with magic and feelings.
8	Gray, like the skies in the fleeting moment when day turns into night.
9	Heterochromatic. Each eye has a different color.
10	Unusual color, suggesting the fey blood in her veins.

## HAIR COLOR (FEMALE)

<b>HAIR COLOR (FEMALE)</b>	
<b>D20</b>	<b>RESULT</b>
1	Golden blond, like a ripe wheat.
2	Glimmering color that's hard to describe.
3	A mousy blonde. It makes her hair mysterious.
4	Graphite black, gleaming like raven feathers.
5	Redhead. Can she be trusted?
6	Charming brown, the color of autumn leaves.
7	She dyes her hair, often changing colors.
8	A dark brown, of a pretty common tone. It doesn't mean she's ordinary.
9	Icy platinum, a frosty shimmer that catches the light.
10	Mahogany red, hinting at a fiery passion.
11	Ashen gray. She looks wise and experienced.
12	Chestnut brown, warm and comforting tone.
13	Sunflower yellow, a lively and happy hue.
14	Charcoal gray, subtle and sophisticated.
15	She has silver highlights, reflecting like gleaming blades.
16	Sandy blonde. She likes walks on the beach.
17	Amber waves that reflect the passing of autumn.
18	Fiery copper, reminiscent of a blazing sunset.
19	Honey brown, vital and tasty. Her hair smells of pollen and beehive.
20	An unusual color. She claims it's natural.

## PHYSICAL TRAIT (FEMALE)

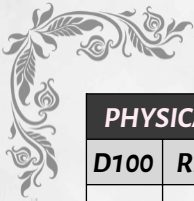

<b>PHYSICAL TRAIT (FEMALE)</b>	
<b>D100</b>	<b>RESULT</b>
1	A habit of pacing back and forth when she's deep in thought.
2	Many rings on her fingers. She might secretly hope for one more ring in her collection.
3	She ties her hair. She doesn't like it when the wind blows her hair.
4	Colorful scarves. She might hide something underneath.
5	A tattoo discreetly inked in a hidden place.
6	Comfort is most important to her. All her outfits are functional.
7	Whatever she wears, she always looks great.
8	Occasional knee bouncing when seated, reflecting her energy.
9	Dimples in her cheeks when she smiles.
10	Tiny, but dextrous hands.
11	Upturned nose. People think she's smug, but that's not the case.
12	Freckles. They complement her face nicely.
13	She often frowns, usually from overthinking.
14	A muscular arms from handling the sword or bow.
15	A battle scar.
16	Small earcuffs adorned with magical gemstones. Elven origin.
17	She raises her hands when she gets annoyed. She does it often.
18	She drums her fingers on the table, usually to popular tunes.
19	A habit of muttering prayers or incantations under the breath.
20	Fast walking. It's hard to keep up with her.
21	A loud and scary voice.
22	She has a hard time catching her breath. She can't run long distances.
23	She's sneaky and moves silently. She thinks she'd make a great assassin.
24	A well-worn leather gloves, showing signs of years of practical use.
25	Intricate braids adorned with tiny beads and charms.

<b>PHYSICAL TRAIT (FEMALE)</b>	
<b>D100</b>	<b>RESULT</b>
26	Tall stature. It's hard to miss her in the crowd.
27	A tongue click when expressing disapproval.
28	She favors gloves, never revealing her bare hands in public.
29	A unique scent always surrounds her. The perfume has significance in her life.
30	She wears a locket containing a small keepsake from the past.
31	She has a preference for wearing skirts and dresses.
32	She wears a signature bright color. She believes it brings her luck.
33	She has a pet or a familiar. It travels with her.
34	A feather tucked in her hair.
35	A noisy and distinct laugh.
36	She prefers to walk barefoot, feeling a connection with the earth spirits.
37	A habit of twirling a strand of hair absentmindedly when lost in thought.
38	A magical aura that shifts with her emotions. Detectable only to wizards.
39	A cloak with a hood hiding her face.
40	Butterfly-shaped hairpin. It has a tiny amount of magic.
41	A pouch of herbs and flowers. She brews calming teas when she's anxious.
42	A pair of knee-high leather boots with hidden pockets.
43	A small bag with a collection of shells, shining stones, and small bones.
44	Radiant, sun-kissed skin. She likes to spend time outside.
45	Dusky complexion with a pale glow. She prefers to stay inside.
46	A petite frame and a graceful posture. She might not be too strong, but she's nimble.
47	A pouty lips, often caught in a cocky expression.
48	She smiles often but conceals her genuine emotions.
49	Slender neck with a delicate collarbone.
50	Piercing gaze that demands attention.
51	The occasional eye roll as a sign of disdain.

### PHYSICAL TRAIT (FEMALE)

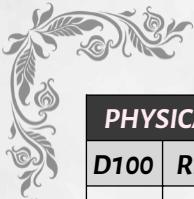

D100	RESULT
52	An athletic build, with well-defined muscles from swinging weapons or physical labor.
53	She always follows the latest fashion.
54	Full, voluminous hair that she's proud of.
55	Soft, round face with a comforting aura.
56	Cat-like eyes with a mysterious allure. She's always alert for some reason.
57	Toned arms with a hint of strength.
58	Delicate, pointed ears. They suggest elven blood
59	Tomboyish looks and functional clothing.
60	Short hair. She doesn't like accessories on her head.
61	Long, slender legs that carry her with grace. She likes to show them.
62	Mysterious smile that keeps people guessing
63	Soft, pillowy cheeks and a gentle face that invite affection.
64	A straight and confident posture that makes her look proud.
65	Natural makeup that enhances her features.
66	Slim and slender figure with subtle and delicate curves.
67	A voluptuous figure with a full bust and generous hips.
68	A rugged, weather-beaten clothes. She's traveling a lot.
69	Sensual and suggestive fashion style. She wears it confidently and isn't afraid to tease.
70	Soft and delicate facial features. But is she really innocent?
71	Exotic fashion from a far-away kingdom.
72	Casual, practical clothing. It reflects her pragmatic nature.
73	A favorite book always tucked into her bag. It might be poetry, a scholarly treatise, an arcane volume, or a saucy romance novel.
74	A soft, comforting voice that puts others at ease.
75	A subtle nose scrunch when she's annoyed.
76	Great stamina. She can climb, run, and swing a sword without getting tired.

<b>PHYSICAL TRAIT (FEMALE)</b>	
<b>D100</b>	<b>RESULT</b>
77	A necklace made from the claws and teeth of defeated creatures.
78	Bandages and wraps on her arm, an evidence of recent injuries.
79	A set of throwing knives or metal darts easily accessible on her belt. She carries them openly.
80	A large bag with carefully prepared rations, tools, and weapons. She could be the best-prepared adventurer in the party.
81	A collection of insignia obtained from various guilds. She collects badges and made many connections.
82	Short stature and a slight frame.
83	A magical weapon that has been passed down in her family for the last two hundred years.
84	A master-crafted armor worth a small fortune. It might be a plate armor, chainmail, or an intricate and sturdy leather vest.
85	A set of crystal vials with colorful liquids on her belt. She doesn't reveal their use.
86	Frequent finger pointing, especially when she's excited.
87	A tendency to crack knuckles, suggesting she's ready to fight or confrontation.
88	The reflexive reaching for the sword or other weapon when she feels anxious, even outside combat.
89	A habit of muttering under her breath when she's frustrated.
90	A tendency to fidget with a necklace or other piece of jewelry.
91	A habit of gently touching her companion on the shoulder as a sign of reassurance.
92	A weathered journal filled with notes and scribbles from her travels.
93	A formal bow when meeting new people.
94	Intricate facial tattoos that bear significance.
95	A habit of adjusting clothing or accessories to ensure she looks perfect, sometimes mid-fight.
96	An occasional lip bite during moments of tension.
97	A habit of banging her fist on the table whenever she wants to emphasize something.

### PHYSICAL TRAIT (FEMALE)

D100	RESULT
98	Any unusual appearance suggesting exotic blood: short horns, feline tail, draconic eyes, glistening scales on her neck, red skin, elongated fangs.
99	Any unusual magical feature: lack of shadow, a halo of fire around her head when she's angry, glowing tattoos that change shape, windswept hair that moves even when there's no wind.
100	Even more unusual feature.

### ROMANTIC TRAIT (FEMALE)

#### ROMANTIC TRAIT (FEMALE)

D100	RESULT
1	She falls in love easily.
2	Her attitude to matters of love and romance is utterly pragmatic.
3	She wants to taste the forbidden desire.
4	Warm hugs and tight embraces are all she needs.
5	"Love? It's not for me".
6	She endured the pain of heartbreak. She doesn't want it to happen again.
7	Her hands are skilled.
8	Loyalty is essential for her, especially in love.
9	She likes to go on dates and enjoys shared experiences.
10	She acts weird around you.
11	Love is a power play for her, a way to assert control.
12	She'd prefer if you stayed friends.
13	Love inspires her.
14	She's a great kisser. Her lips are soft and beguiling.
15	She likes to listen to happy endings and read romance novels. The saucy ones turn her on.
16	Her heart is full of energy.
17	She believes we should forgive and give second chances.
18	She gets aroused in unusual circumstances.
